Your new puppy is guaranteed against fatal viral diseases up to seven (7) days beyond the date that the puppy is taken home. **The puppy MUST be examined by a veterinarian within seven (7) days for this guarantee to be valid.** If the veterinarian finds abnormal results in the exam (apart from any imperfection that was made known to new owner at the time of sale), then the breeder must be called immediately and copies of the vet report(s) supplied to the breeder. After this is provided, the breeder will offer a reimbursement or solution based on the veterinarian's findings. In case of a puppy's death within the seven (7) day period, an autopsy, by a state veterinary lab, must be arranged and paid for by the new owner, and findings must be submitted to the breeder before any exchange will be made.

Your new puppy is also guaranteed up to, and no more than, one (1) year from purchase date against major genetic defects, effecting the heart, lungs, liver, kidneys, etc. If the examining veterinarian concludes that the puppy has a serious genetic illness, the breeder must be notified and proper documentation provided to the breeder by the veterinarian. Once this is received and reviewed, the new owner will have the option to bring the puppy back in exchange for another puppy of equal or lesser value, or a reimbursement (whether in part or in full) will be provided at the breeder's discretion. **At no time will your credit exceed the purchase price of your puppy.** The breeder is not responsible for any veterinarian bills you incur with your new puppy.

Buyer acknowledges that they are purchasing a pet and that the breeder cannot guarantee size, weight, conformation, temperament, or breeding ability. The breeder can assume no responsibility for this puppy after leaving the premises for any medical expense, death, or allergies. This guarantee DOES NOT INCLUDE the following: Hypoglycemia, Colds/Upper Respiratory Infection, Coccidia, Giardia and other minor illnesses. These conditions are all treatable and do not warrant a reimbursement. If for some reason you cannot take care of your puppy or cannot keep it any longer, please return the puppy to us.

Known abnormality(s) or surgery(s) prior to puppy going home: _____

"I, the new puppy owner, hereby agree to the above purchase agreement and Health Guarantee for my new puppy, and I signify that I have been made aware of any known abnormalities or surgeries regarding my puppy. **Furthermore, I will commit to providing the best possible care to my new puppy after it leaves the breeder's premises.**"
